

Bervie Nursery

# Bervie Nursery & Primary School

## Our Vision

We aspire to be a Learning Community which provides a safe, secure and nurturing environment where children are inspired to dream, encouraged to believe in themselves and supported to maximise their potential, developing the skills and qualities they will need to adapt and thrive in an ever changing world.

*Dream, Believe, Work Hard, Achieve - Together*

## Our Aims

### We aim to:

- be a warm, friendly and welcoming school which promotes the right for everyone to feel safe, respected, happy, healthy and included.
- promote our shared Vision and Values so that everyone understands that it's important to do what's right not just what's easy.
- provide learning activities which are fun and help to develop independence and the skills needed to work well with others.
- ensure that everyone feels supported, valued and encouraged to try their best at all times and that achievements are shared and celebrated.
- encourage parents to involve themselves in their child's learning and the wider life of the school and promote a 'Can Do' attitude in all.
- find ways to work with the wider community and build strong partnerships to support all our learners.
- teach everyone about the importance of caring for our environment and how we can protect it and look after its resources.
- support everyone to evaluate their own work and the work of the school, learn to reflect on how to improve and take the next steps to being the best we can be.

## Our Values

Inclusion

Respect

Equality

Achievement

Collaboration

Honesty
